19th August 2021

To BC Chess players and parents,

On the 28th August the final and 5th trials will take place for the year 2021. The official BC Chess team will be selected based on the trials that have taken place this year. Those names will be sent out for the various schools to take their own awards and colours into recommendation.

We will also be selecting players for a closed over the board championships. Details will be posted closer to the time, but we will send out invitations, which players need to respond to within a few days or be replaced. Please find current trials standings:
